The April birth flowers are the **daisy** and the **sweet pea**.

April Birth Month Flower: The Daisy

The [daisy](#) conveys innocence, loyal love, and purity. Yet, it is also a flower given between friends to keep a secret; the daisy means "I'll never tell."

April Birth Month Flower: The Sweet Pea

The other April flower is the [sweet pea](#). While sweet peas signify blissful pleasure, on the other hand they are also used to say good-bye.
